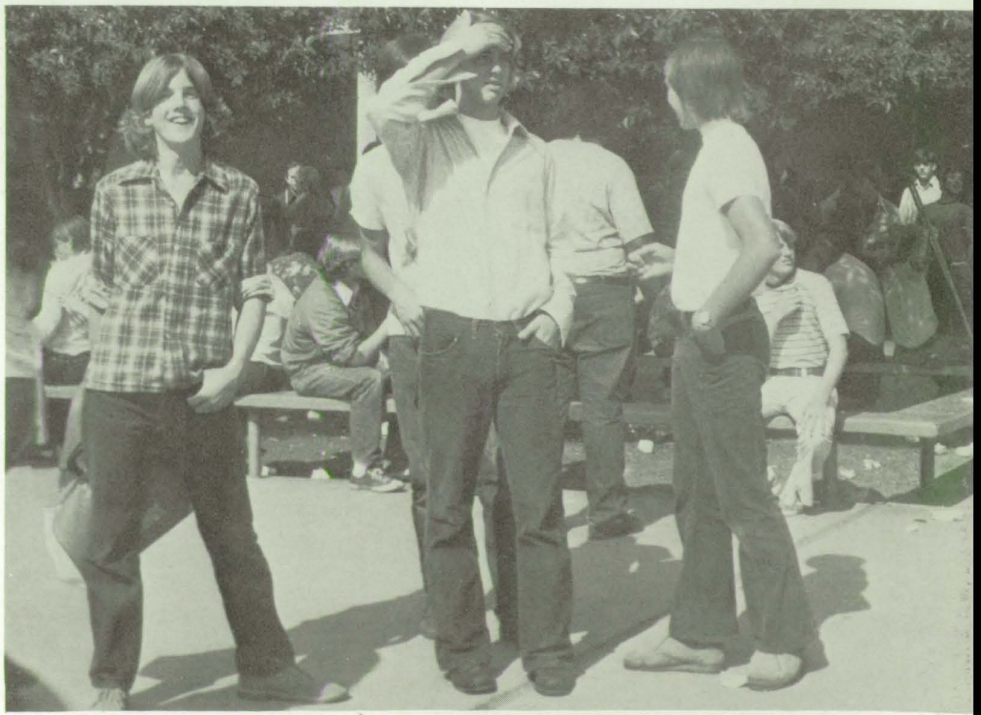
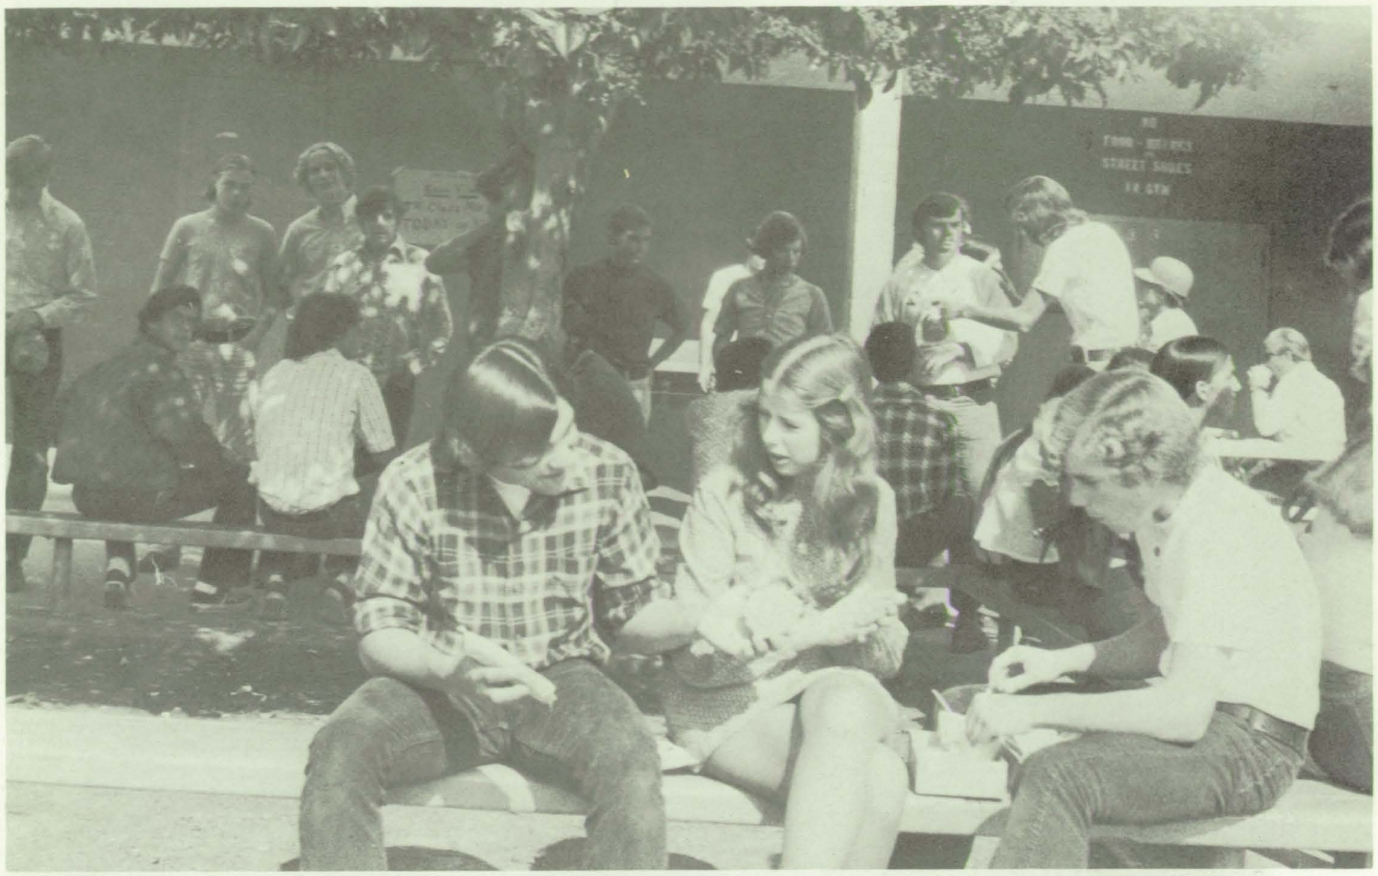
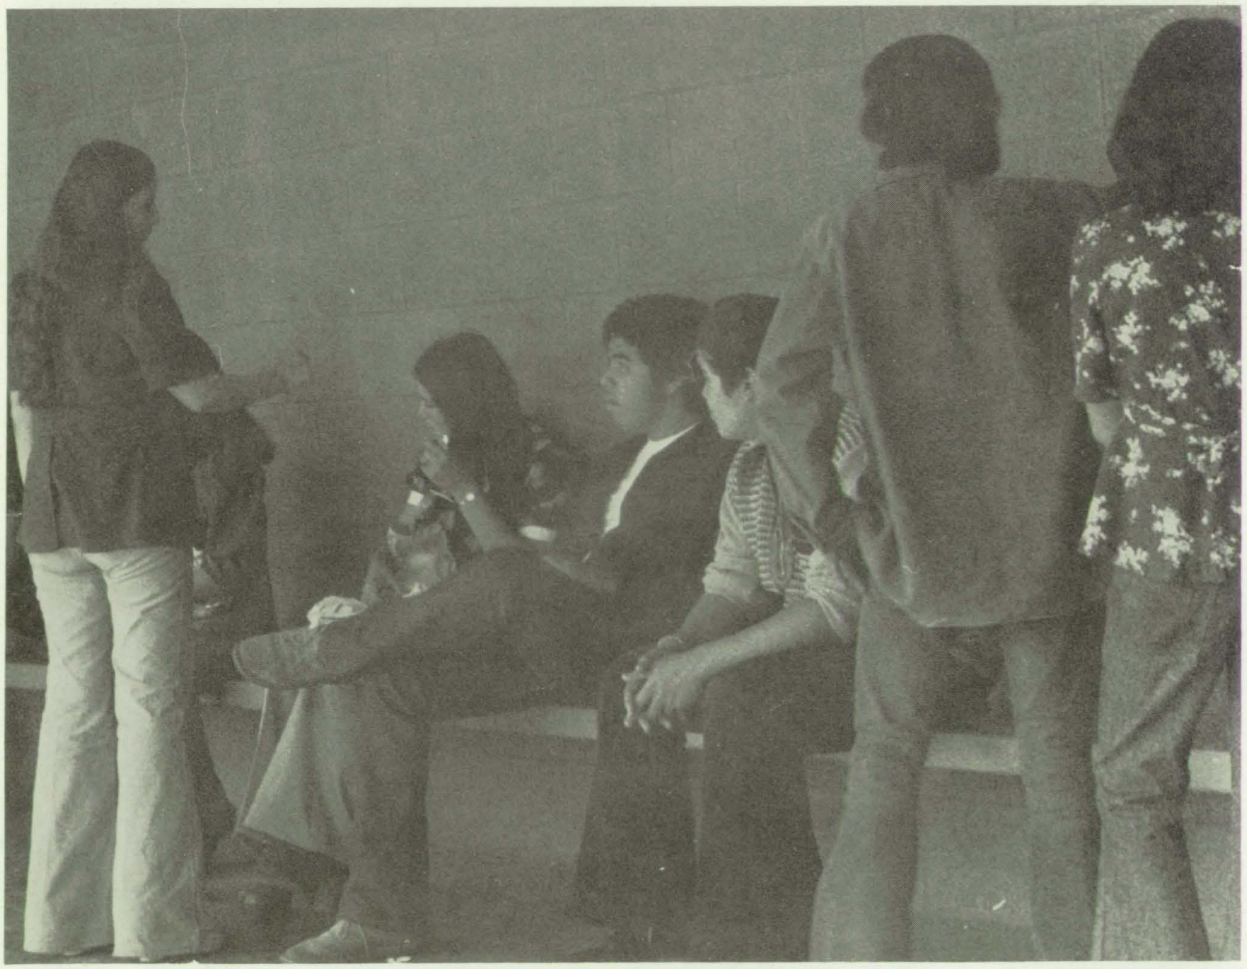
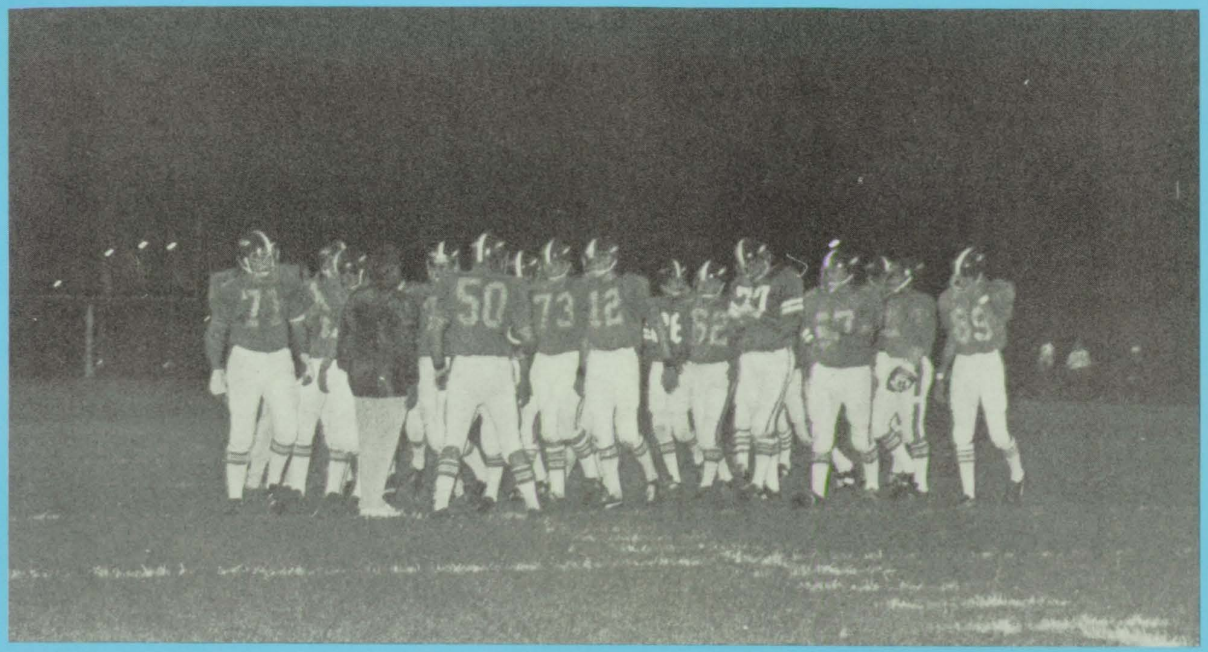
The different people of Irvington are as vast as the living things in a tide pool

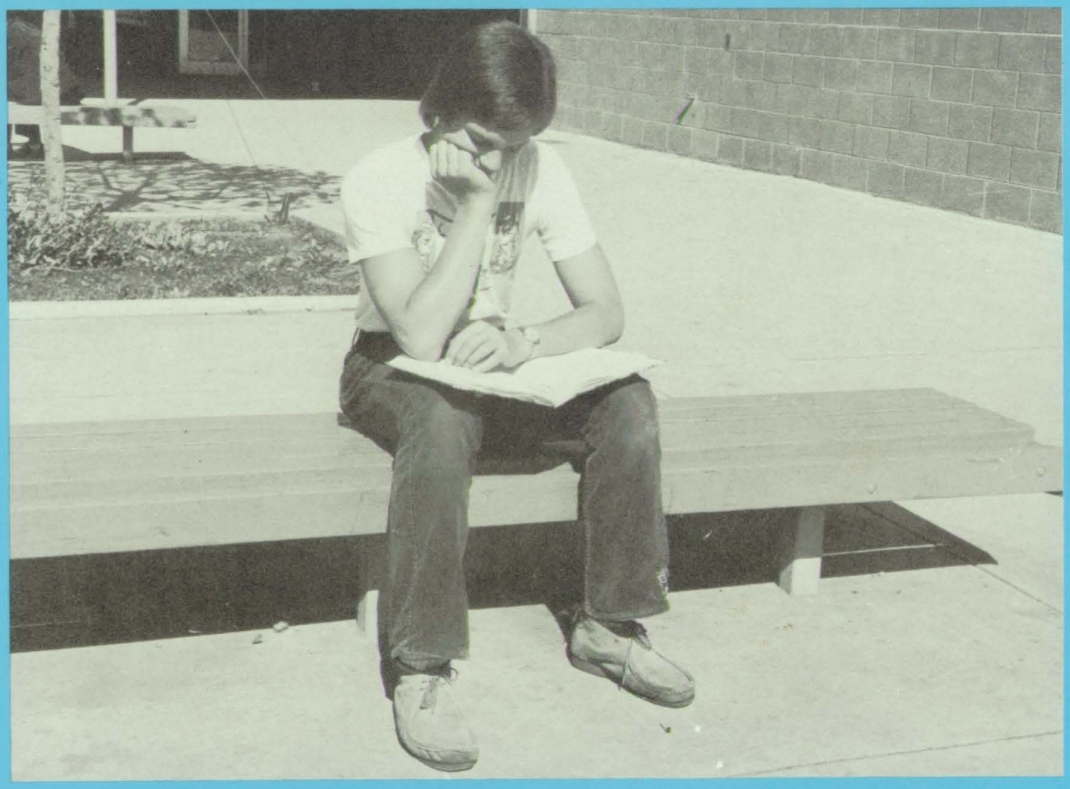






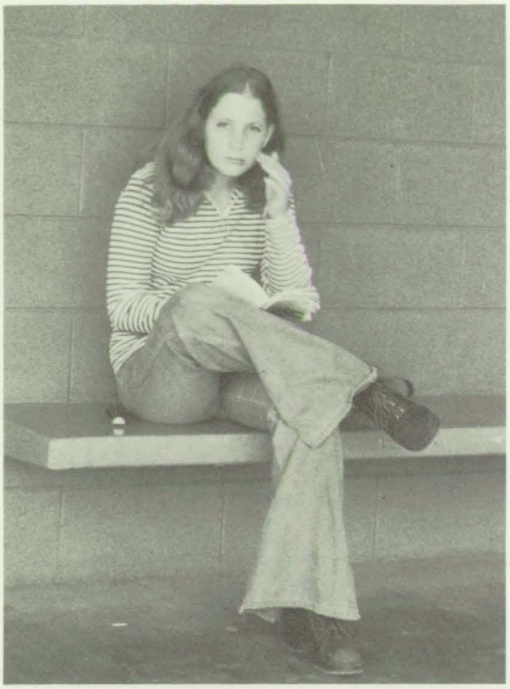
We join together like each tiny drop of



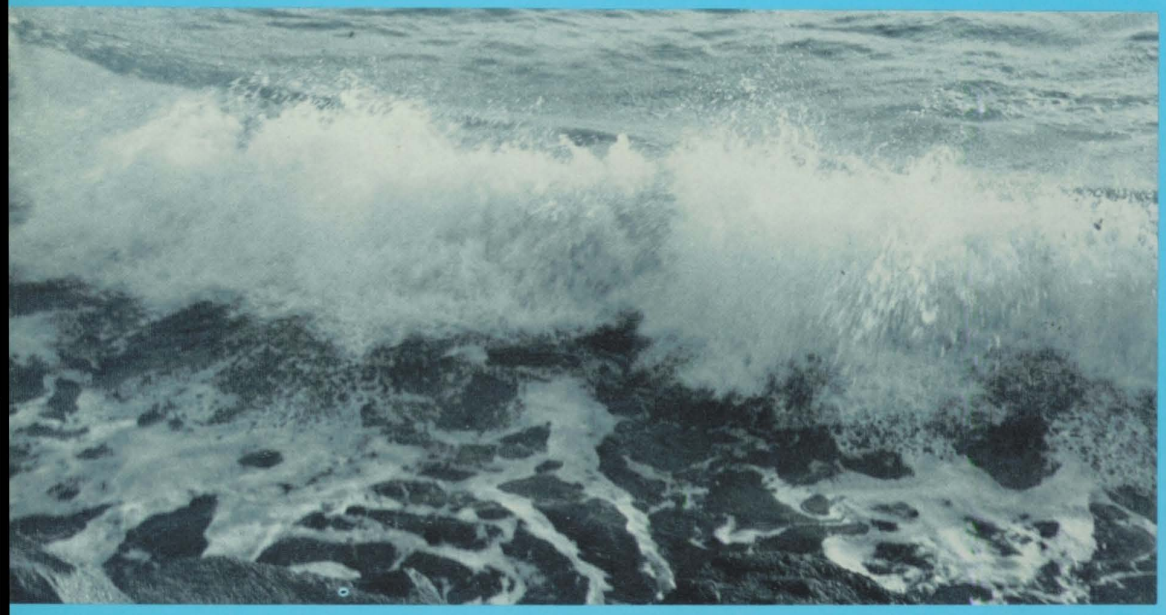


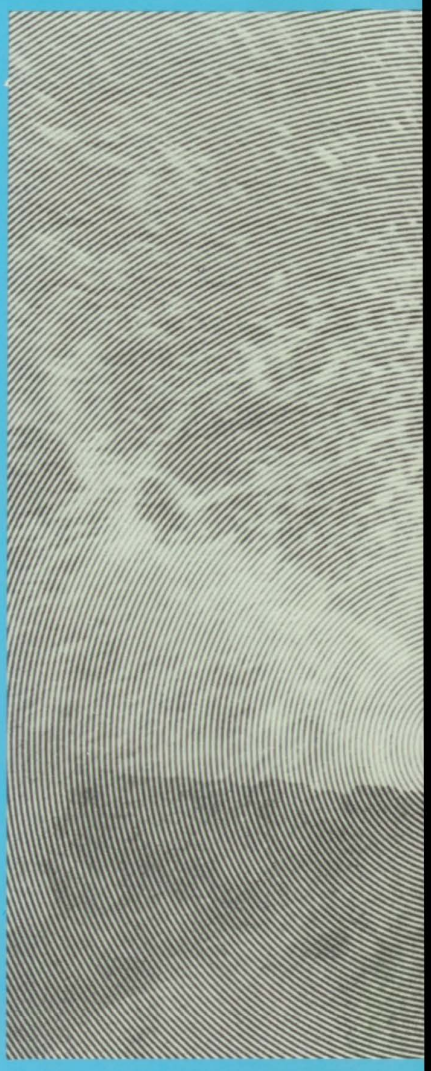
water in the ocean
to form a school

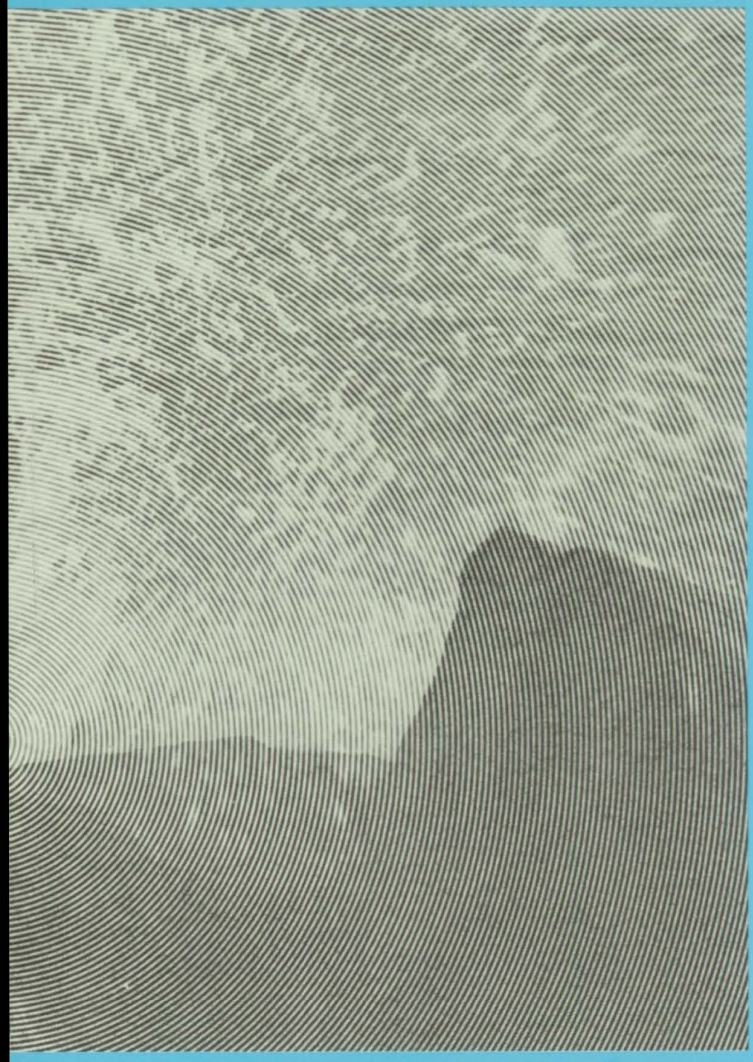
gentle and peaceful on calm days

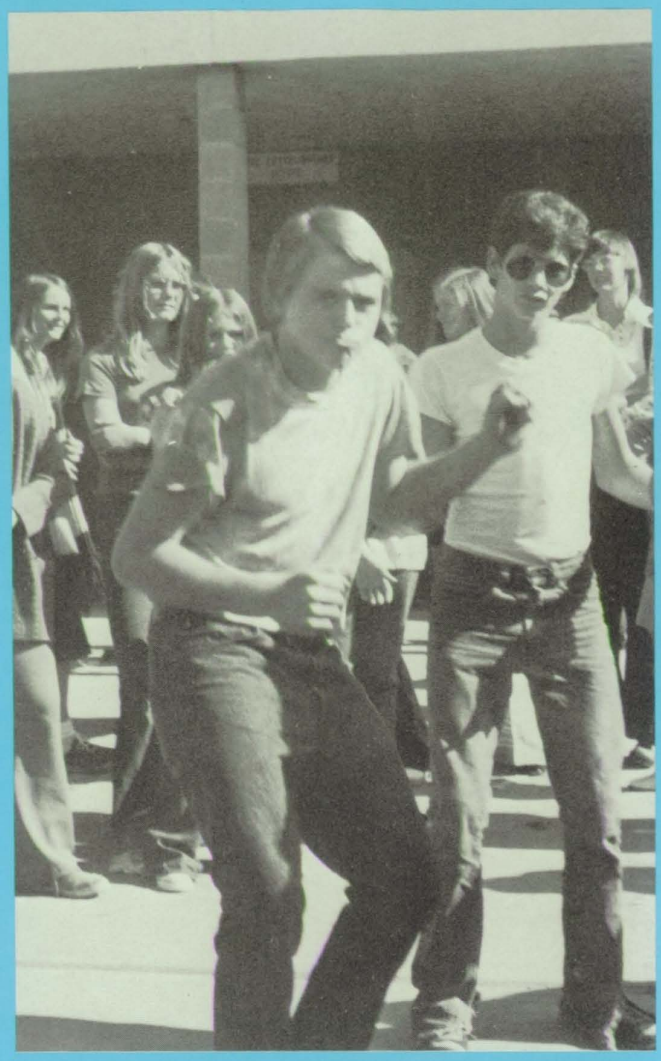


But sometimes we are restless



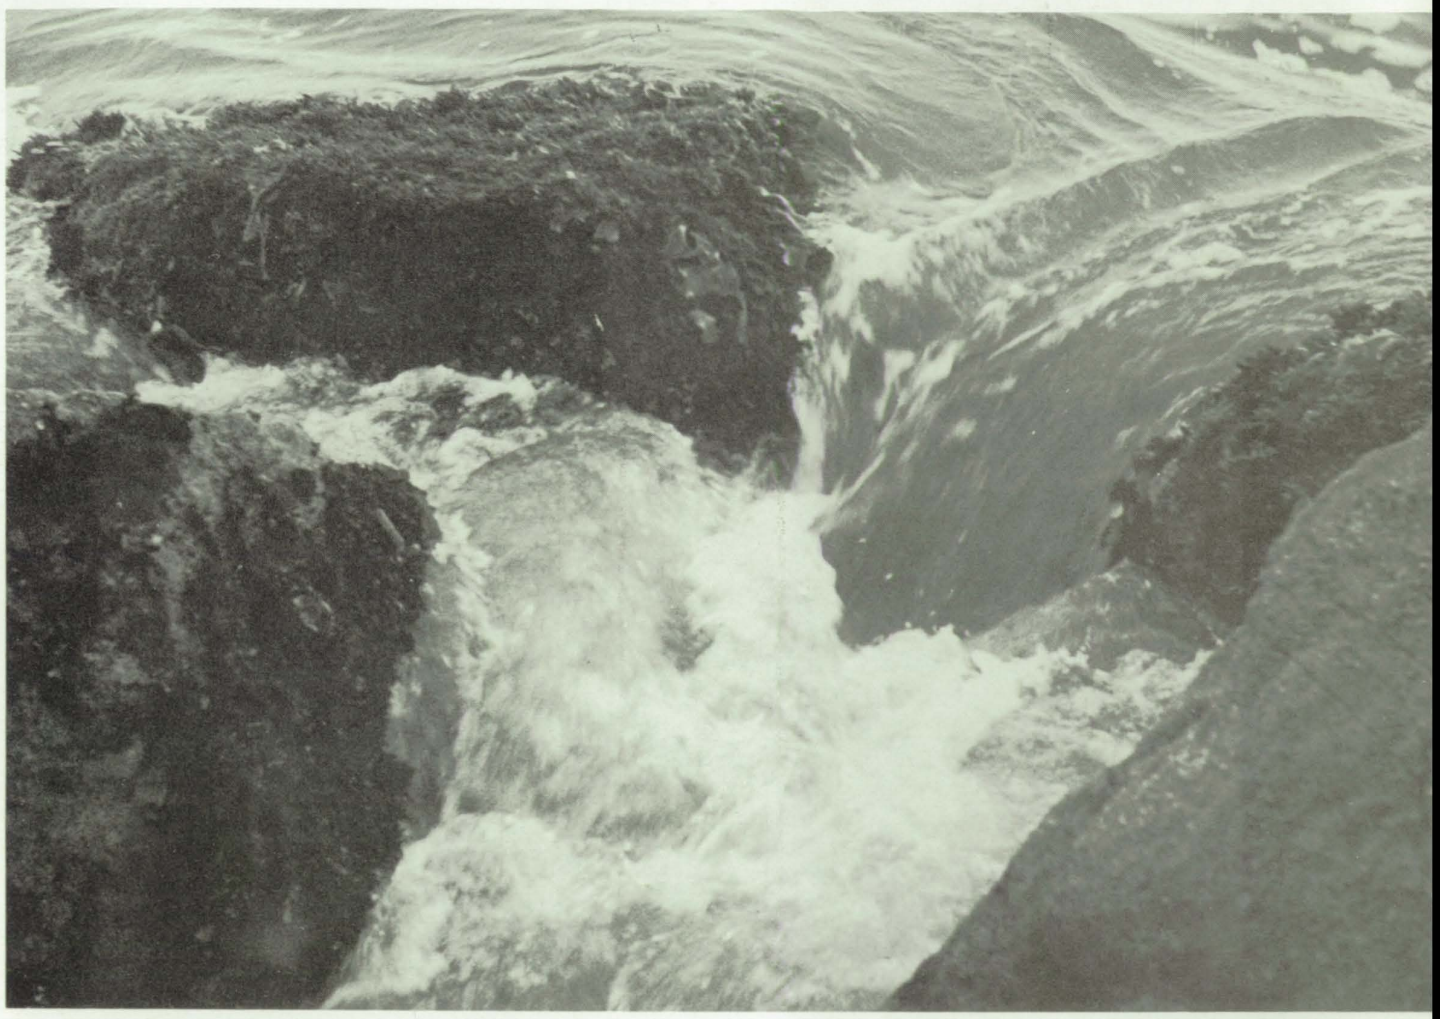


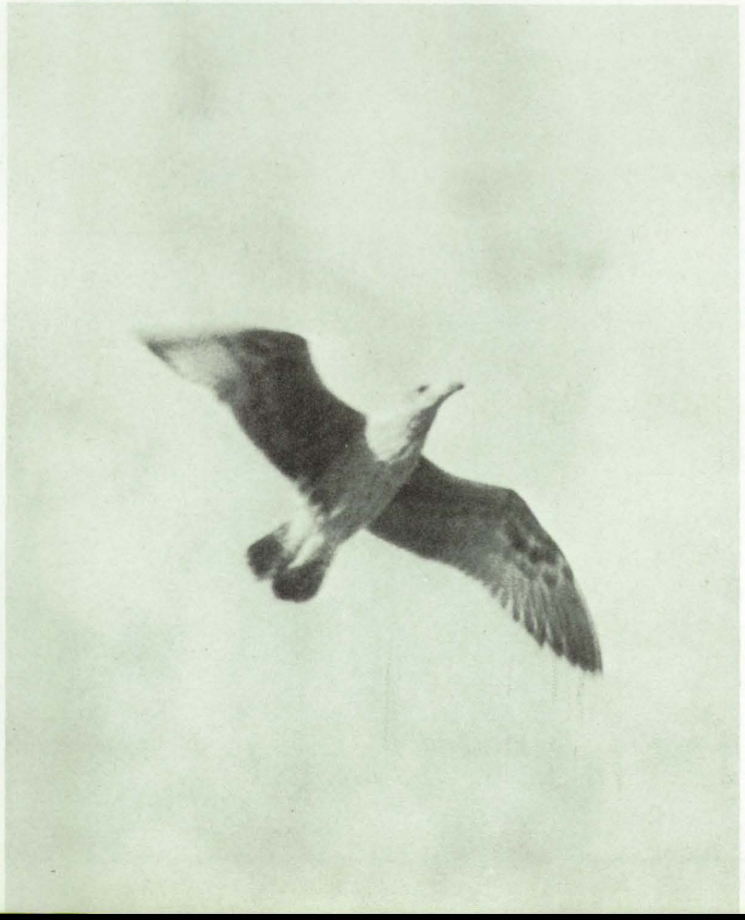


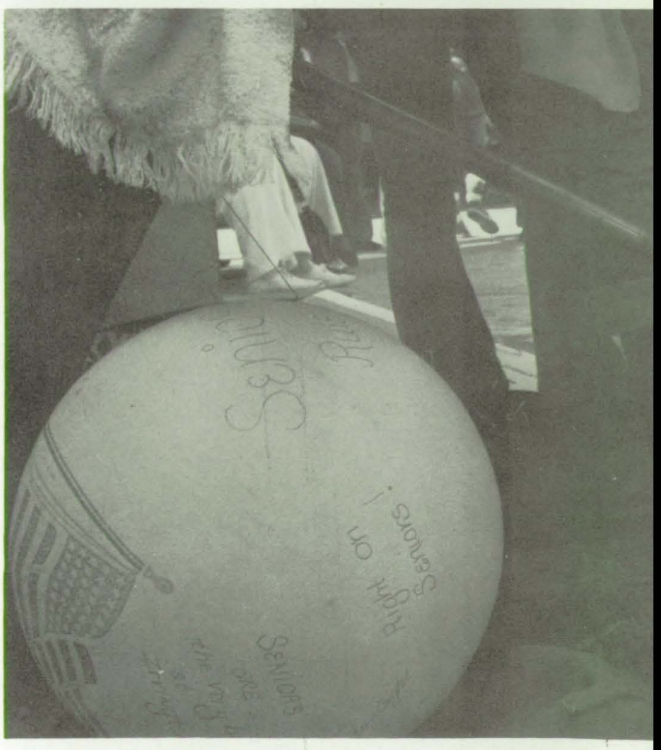


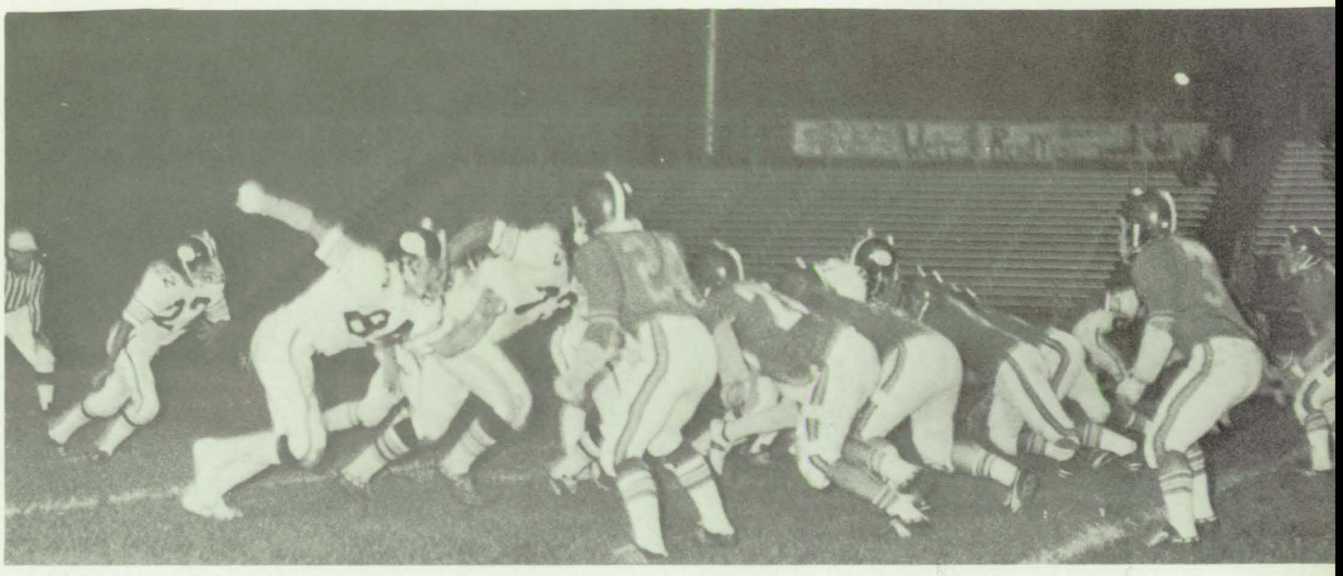
like the
waves
at sea

as problems arise like crashing



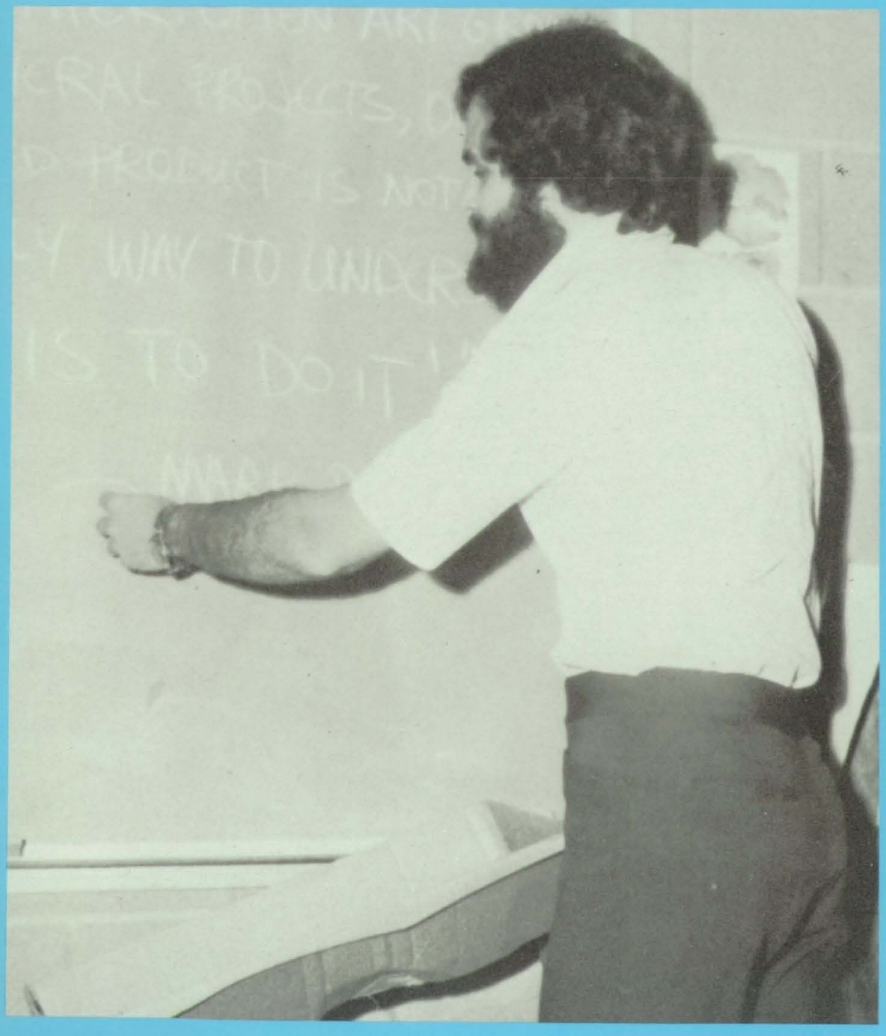


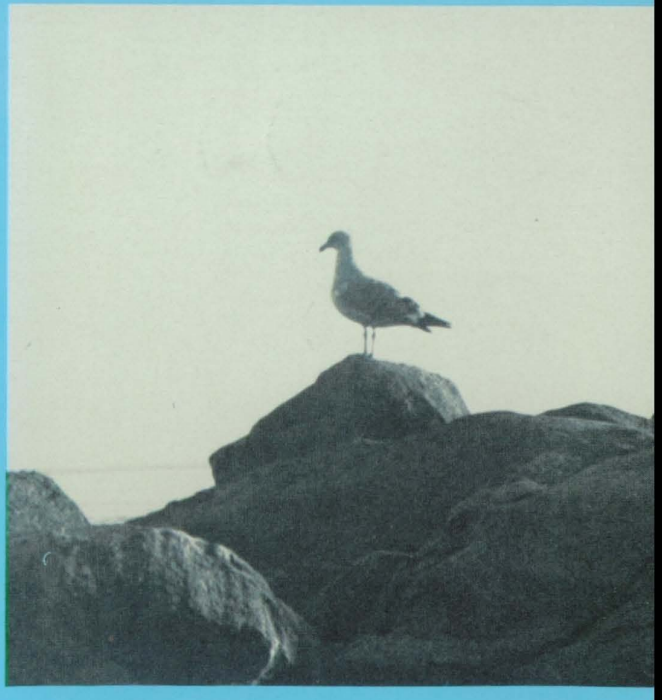




Waves against the Rocks

Soon to find
answers that





the tide might wash ashore

Soon Only to Remain One Great

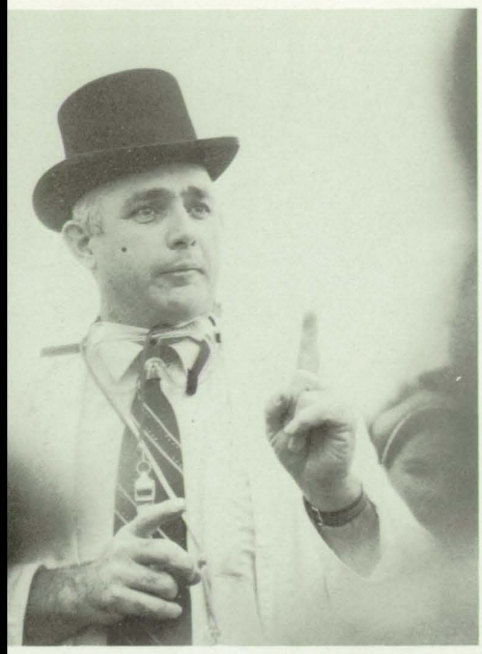
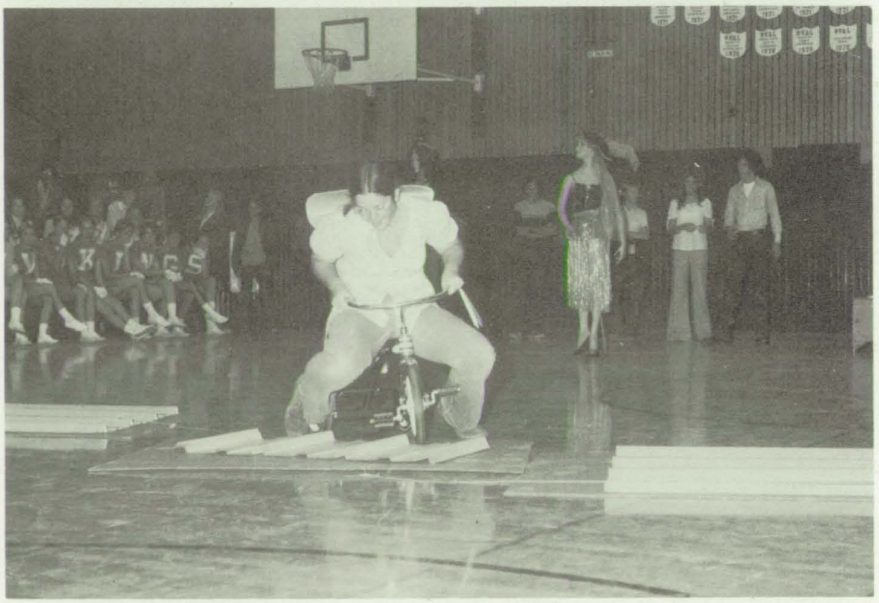
Go Speed Racer Go!

He's a real winner





Keep on Trikin' was the theme for our first annual Tricycle Race at Irvington High School. The Tricycle Race was sponsored by the Performing Arts Department on November 15, 1973 to raise funds for this years musical "Bye-Bye Birdie."

Each "triker" was sponsored by a local business, school club, school organization or individual. The fee was five dollars to enter and over thirty trikers entered. There were three heats, and the best three out of each heat went into the final heat. Patrick Erwin took first place. Second place went to Drew Coleman and third place went to Ken Hardaway.

The Pep Band played, refreshments were sold, and prizes were distributed. The whole event was very successful, and will be held again next year. So get those trikes ready!

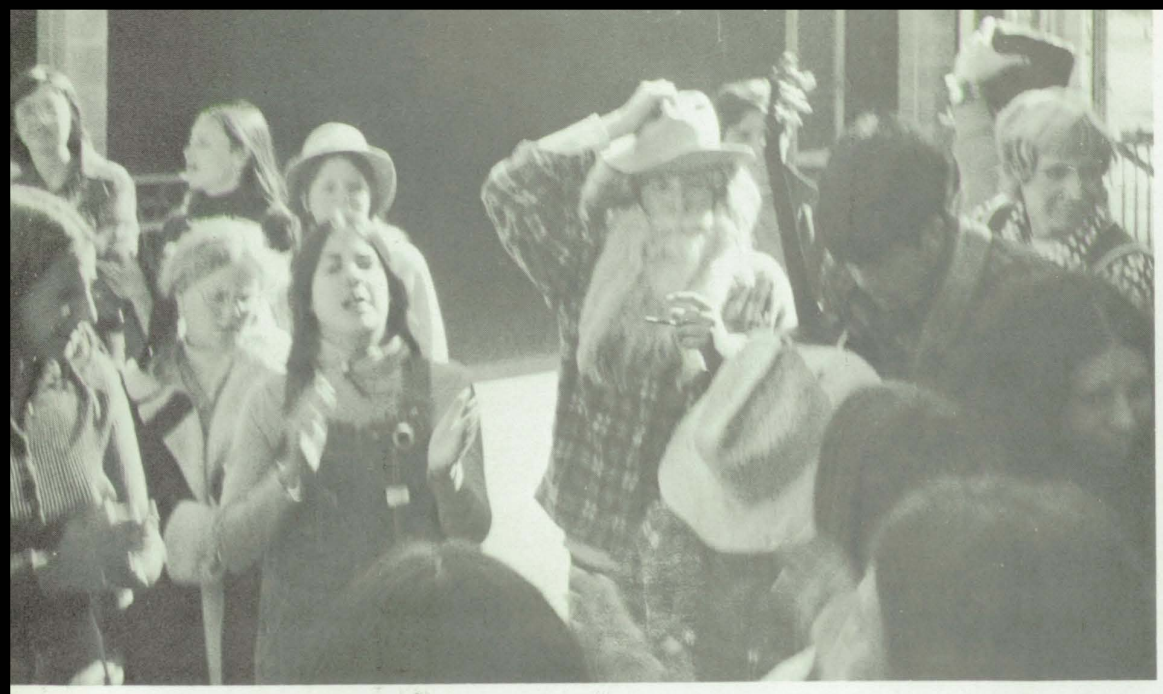
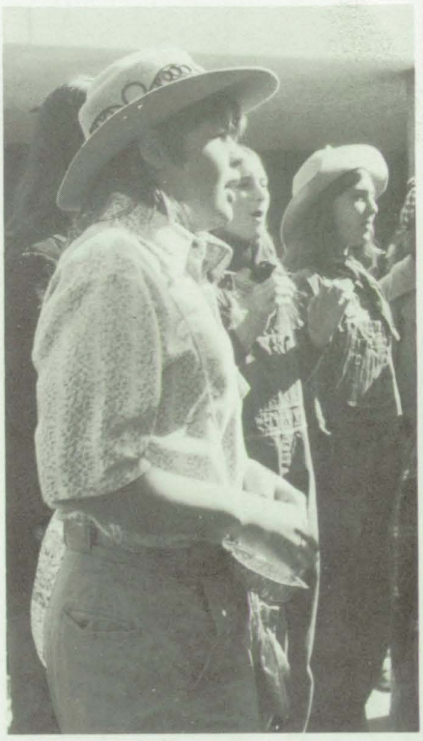
Senior-Junior "Spirit Day"

The surfing seniors were this year's winning class for Spirit Week. It wasn't hard to figure out what their theme was. With their red, white, and blue striped shirts, cut offs and the sandy beaches it turned out to be an excellent display of Surfers.

The Seniors had a special breakfast held at the Fremont Inn.

The Juniors theme was the Summer of "62". They performed an entertaining show during our lunch period. The young ladies wore long skirts, "Bobbysocks" and "Pony-tails" which matched the charming young men, who appeared with their sunglasses, sleeveless "Musclemen shirts" and of course their rolled up pants. They took second place in our Spirit Week Competition.



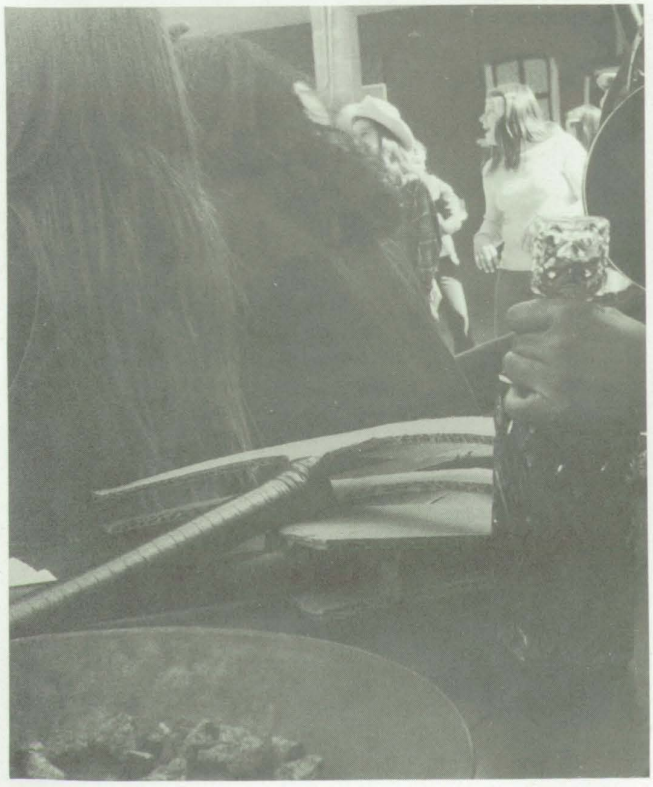


Sophomores have Spirit

Sophomores, miners, golddiggers, this year all the same! Sophomores began Spirit Week by taking us back to the Gold Rush Days.

They dressed up as miners with their pans and picks, and proceeded to play the parts of golddiggers. For their entertainment, in the early afternoon, they aroused the crowd with a saloon scene and banjo player, with dancing and clapping. The day ended with yells and cheers!

The sophomores took third place for Spirit Week.



Freshmen Show Class

The Freshman took the show over by reverting back to the "50's". With dancing, cheers, and yells, the Freshmen put in a good effort. The courtyard was decorated with signs to get you back to the mood of the "50's". With Freshmen dressed in bobby-socks and highwaters, they took fourth place in the Spirit Week Competition, and helped to make the day a success.

homecoming '74

The 1974 Homecoming rally was received enthusiastically by the entire student body. The Senior, Junior, and Sophomore classes presented skits with the Sophomores getting a little messy during the fun with their whip cream fight.

Accenting the rally was the introduction of the five Spirit Queen finalists. The finalists were Kim Jager, Kathy Cram, Cindy Greenwood, Sue Burrous and Jan Leal.

During the half-time activities at the game the following night, Kim Jager was crowned Homecoming Queen.

varsity yell leaders

What a great year for the Varsity Squad! They took first place at Squaw Valley, won the spirit stick, and swept away with a first place at the Skyline competition, November 17, 1973. They also have done a good job in competitions by getting a second place at Skyline College. At Squaw Valley they received three ribbons for excellence, one ribbon for a superior rating and a trophy.

Our 1973-74 J.V.'s are headed by Brenda Buum who is a Junior. Theresa Baker, a Senior; Lynn Henninger, a Senior; and Patti Brown, a Sophomore; make up the rest of the squad. Mrs. Golda is their advisor.

This was the second undefeated dual-meet season for the varsity runners. Over the last three seasons the Vikings have "run-up" a total of twenty-one successive dual meet wins. The outstanding combination of talented men and Coach Buum has once again brought fame to Vikings.

The varsity was second in the MVAL Finals. The league championship is determined from the winner of the dual meet season and the winner of the MVAL finals.

Soccer Soccer Soccer Soccer

The 73 - 74 soccer year proved to be very rewarding! After a slow start the young team began their devastating march to the top of the MVAL.

With Ralph Garcia, Mark Walus, and Bob VanBebber leading the way, Irvington established itself as the number one team in the league. Defensively, Brent Nielsen, Ken Keeth, and Mike Kopshy held opponents to a mere 19 goals. Jim Balthrope, and Rick Sanborn skillfully tended the Viking nets. At the wings and in the middle of the field, none were better than Peter Jackson, Randy Hollenshead, Jan Brietzman and Dale Vis.

Vital to the Vikings capture of first place was a strong and very deep bench.

After an 11-3-2 season the young Vikes found themselves in the third place spot. The J.V. team battled for the number one position through most of the season but, a loss to Newark and Kennedy at the end of the season eliminated the chances for first.

The young team will have many of the familiar faces of the turf back for next years soccer season!!!

Varsity Basketball

This years Varsity Basketball teams goal was to do their best. For the most part the goal was reached. The 8 win 6 loss season was only good enough for third place in the league. Three of those games were lost by only four points. Had the Vikings won those three games they would have been league champions again this year. This year the J.V. basketball team compiled a 17-6 overall record, which is the best J.V. record ever in the schools history. The Viking team placed second in the MVAL league with an 11-3 record.

This years team was small in size but, lacked nothing in desire, drive & determination, which made them a winning team. The Vikings were led throughout the season by such notable Juniors as Randy Finney, Scott MacGregor, Mike Barnum and the teams leading scorer Kevin Sanck. This years most outstanding Sophomores were Luke Hendrix and Eddie Stroman with Pat Costello showing the greatest amount of improvement towards the end of the season.

The freshman Vikings finished in second place in the MVAL standings one game behind Logan, who they split with during league play. BYE BYE BIRDIE

Bye Bye Birdie is one of the most captivating musical shows of our time. It tells the story of a Rock and Roll singer who is about to be inducted into the Army. Conrad Birdie, an Elvis Presley type, sings in a rugged voice and wears gaudy gold costumes at all possible times. Albert Peterson, is a very pleasant mild mannered type. It is his faithful secretary Rose Alvarez, that keeps him and Birdie moving forward in the world. Rosie concocts one final national publicity plan before Conrads induction, he will bid a typical all American teenage girl, with an All-American kiss. Kim Mac Afee of Sweet Apple Ohio wins the honor. The arrival of Birdie in Sweet Apple causes wholesale swoonings, by the old and the young.

Fine performances were given by Rick Sumners and Linda Ralph, as Albert Peterson and his faithful secretary Rose Alvarez. The rest of the cast and the orchestra combined their talents to add a most marvelous harmony to the Musical.

Bye Bye Birdie was directed by Miss Jacquie Ames, her assistant was Rosemary Lamaestra. Vocal Director; Miss Lee Stevens, Orchestra Director; Mr. Wayne Edwards, Rehearsal Pianist; Mrs. Joan Kincheloe, Costumes; Miss Charlene Ortiz, Sets; Mr. Dave Larsen, Lights; Larry Putnam, Props; Penny Bradbury, Posters; Michele Franco and Matt Ranger, Tickets; Nancy Erwin, Publicity; LeeAnn Lovesy, Set Crew; Steve Riddle, Jim Ballard and Terry Donshick.

Administration and Underclassmen

Mr. Curt Huska
Principal

In the truest sense, life is constantly requiring that each of us face up to both joys and sorrows. The outlook we take in times of stress must be one that optimistically looks ahead to times of joy. The defeatist not only negates his own potential but dampens the spirit of those around him.

Let us each resolve that in our relation with others we are constructive, not destructive; and let us further resolve to never underestimate our own capacity and varied talents.

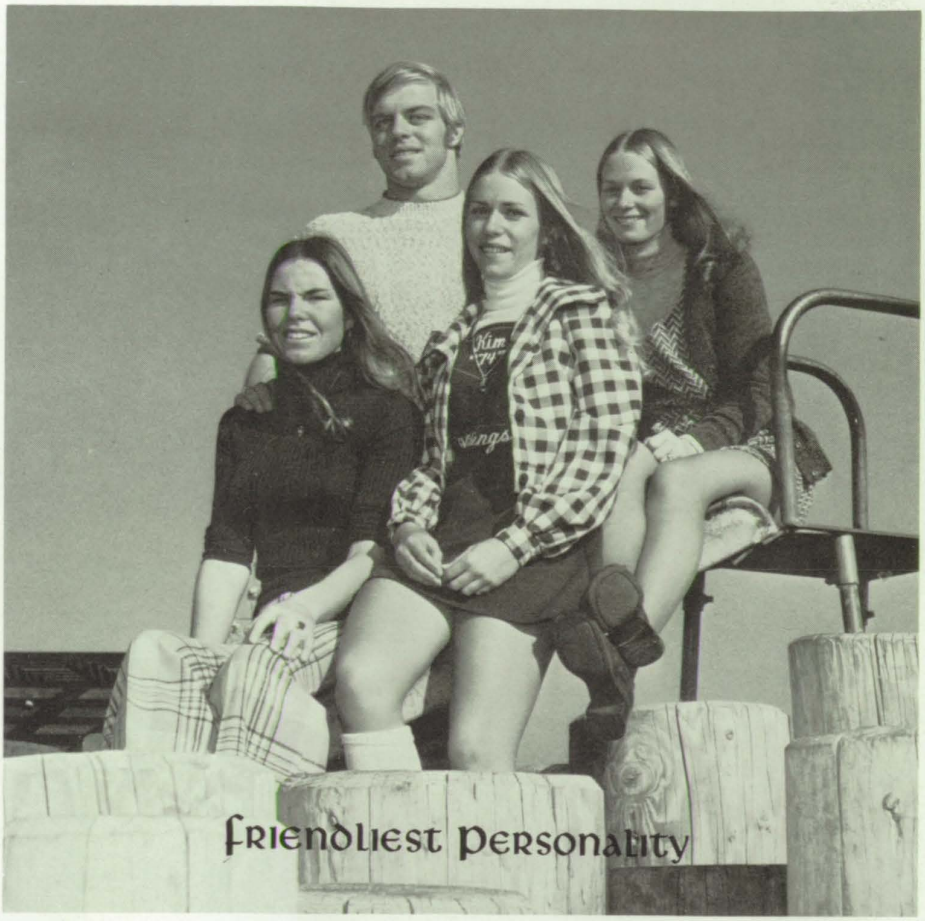
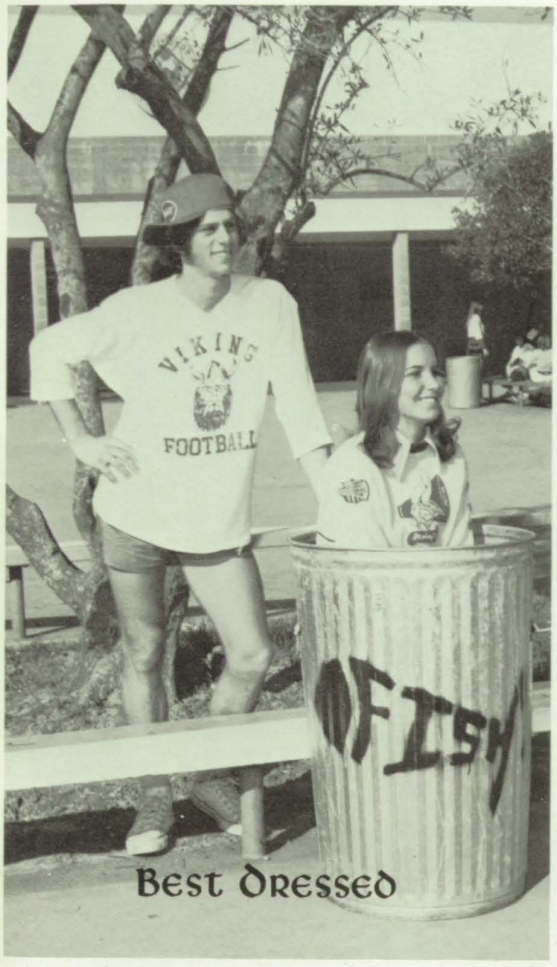
Senior Favorites

This year there were so many friendly people in our Senior Class that there was a three way tie for the girls position. Kim Jager, Cindy Greenwood, and Robin Klein were all added attractions at Irvington. Of course Gary Grube wasn't complaining too strongly when it came to being recognized with three such lovely girls. You would never find any of these people alone. They just plainly attracted people with their great personality.



Friendliest Personality



Best Dressed

A couple of the Best Dressed people around Irvington's campus this year were Sue Burrous and John Huk. Not only were they always dressed in high fashions they also found the time to dress for school activities. Sue could always be found leading a cheer, as John played a great game of football.

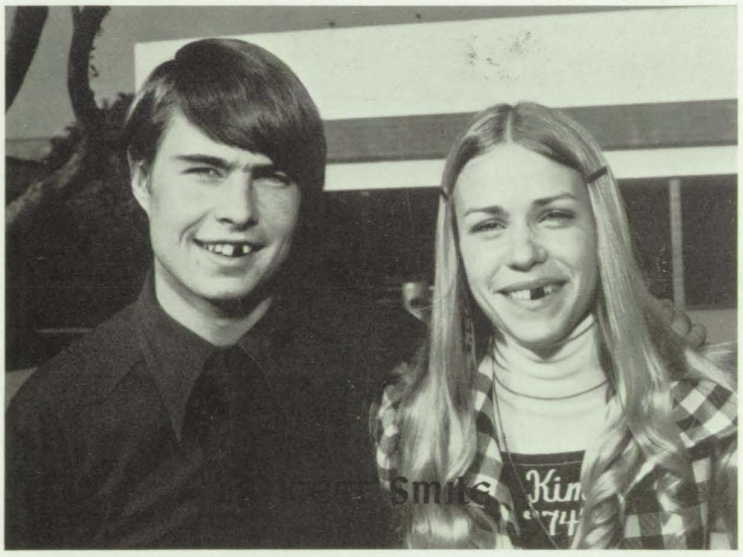
Most Athletic

Jill Goldman and Gary Grube were voted Most Athletic this year and they were a great choice. They both participated in many sports and they were great in all of them. Many people would go to the different sports just to cheer on these two, because they made the sport worth watching.

(NOT PICTURED)
Wherever you hear great laughter you'll always find either Bill Foltmer or Sandy Hardman right in the middle of it. They would go to far extremes just to make people laugh. They were always out for a good time. Too bad that more people weren't as easy going as those two "During 74."

Mrs. Davies and Mr. Medaglia were chosen as the Senior Favorite teachers by the class of "74!" Mrs. Davies was a fine teacher. She was a friend to one and all. She was always willing to talk things over if something was on your mind. Also she is very excited about having her first child! Mr. Medaglia can always be found with a smile to make everyone's day. He is a pal to one and all, because of his openness everyone places a lot of trust in him. It's great to know that we have such great teachers at Irvington.

Two of the shyest people around school this year were Laura Rivas and Joe Aguirre. Even though they were shy in their own way, they both found the time to be very active in school activities. Laura participated as a Letter Girl, and Joe was always participating in either Football or Baseball. Even being as shy as they were, they seemed to be quite well known around school.

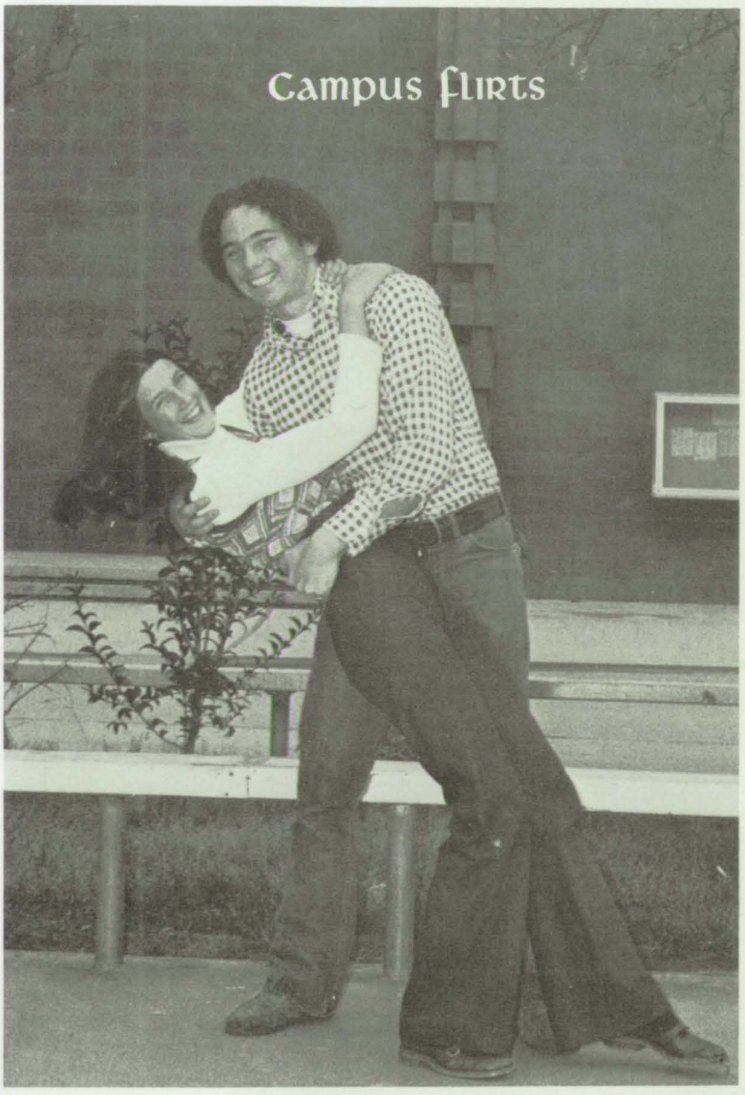


Kim Jager and Wayne Burkholder both had great smiles. They were warm and encouraging to everyone. Never fake or hidden, they were open to all. No matter how distant the friendship, you could always be sure to receive a smile that would make anyones day just a little nicer.

Cindy Greenwood and Mark Walus were voted as Campus Sweethearts. They've been a familiar couple for some time now. While Mark was out throwing footballs, kicking the soccer ball, and hitting tennis balls, Cindy was cheering him on with the Letter Girls.

Senior Favorites

Pictured right is Kathy Cram and Bill Foltmer, this years Campus Flirts. Flirting is something that Kathy and Bill did to the best of their ability. You can always find Bill trying his hardest to impress all the females, while Kathy made the rounds doing her best with the boys. These two made Irvington just a bit livelier because around them, there was never a dull moment.



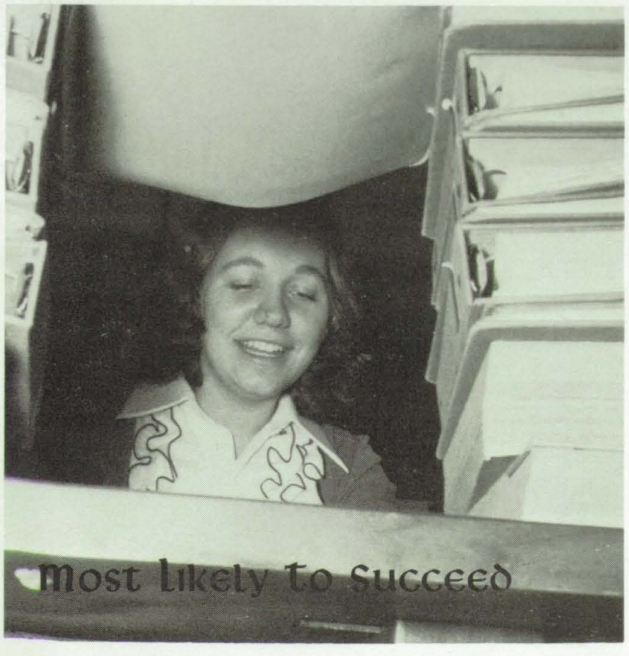
Campus Flirts

Pictured below at the bottom of this page are two seniors voted Most Likely to Succeed. Corny Aschauer and Eric Dorsey were recognized as being very successful students at Irvington. They both proved to have great scholastic ability along with helping out around the school. Corny was the great A.S.B. President, which kept her very busy. Eric in the meantime found spare time to do more physical things like working out on his bike.

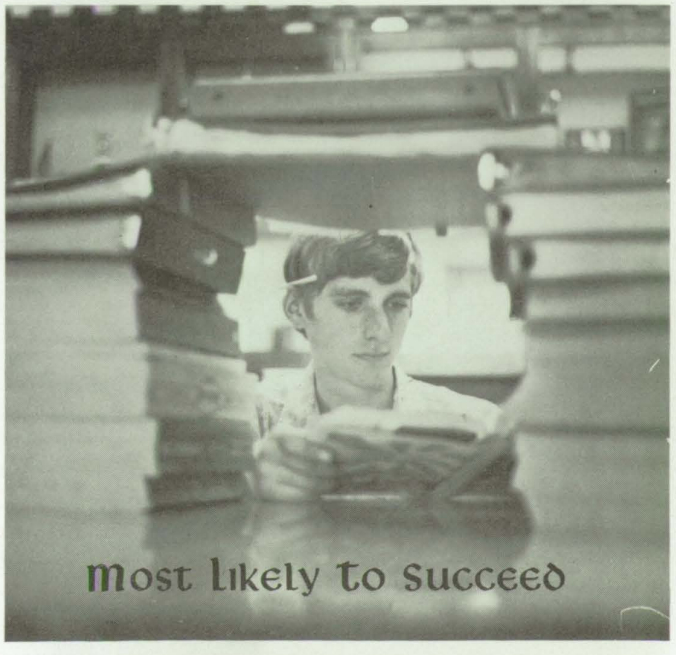
Pictured to the right at the top, and always in the spotlight was Kim Jager and John Huk, voted Best Looking, and no wonder why. With Kim's bright eyes and warm personality she was very respected by all the students and faculty. John had all the girls by a string, and everyone would feel proud to mention either one of them as a friend.

Pictured to the right in the center are Diana Benveniste and Paul Touris who were very dedicated this year. Not only to the Senior Class but to the whole school. They came up with a lot of the ideas that made great improvements around our school. It's nice to see two such dedicated people that were working for a great cause, "Irvington High School, Class of 74!"

Not pictured but voted Most Talkative were Mary Bifano and Rick Ward.



Most Likely to Succeed



Most Likely to Succeed

Pictured above on top is Lucinda Smith and Rick Sumners, voted Most Talented. Talent is something everyone has a little of, but Lucinda and Rick really displayed their talent well. Lucinda could be found on stage in some great performances, while Rick could be found wherever there was music. They both entertained our school in many of its fine plays and musical shows.

Pictured above are this years Most Spirited, Kim Jager and David Hamilton. Kim was also our Spirit Queen and Head Yell Leader. She encouraged our teams to many of their fine victories. David could be found at every game, eagerly awaiting the final score. He was also the very proud manager of the Irvington track team.
